1. Parties, Definitions and Interpretation

1.1 Parties. "FMM", "we", "us" means Forward My Mail Ltd, 8a Bore Street, Lichfield, Staffordshire, WS13 6LL, United Kingdom (Company No. 16912540). "You" means the customer named in the order or account. "Consumer" means an individual acting wholly or mainly outside of trade or profession; "Business Customer" means everyone else.

1.2 Interpretation. Headings are for convenience only. References to laws include amendments. Priority is given to mandatory law, then these Terms, then any schedule/policy.

1.3 Entire agreement. These Terms (including Schedules) form the entire agreement, replacing prior statements, unless expressly agreed in writing.

2. Service Description

2.1 Address use and agency. You may use an FMM-provided address for receiving mail and packages. You appoint FMM as your agent to receive mail on your behalf and authorise us to open and scan mail for processing and forwarding, except where prohibited by law or issuer rules.

2.2 Registered office / service address. Where purchased, we may provide a registered office address and/or director's service address. Use is limited to official purposes; not for trading premises, returns, DVLA/licensing, electoral registration, or Money Laundering Regulations registrations. We may report misuse and/or require removal from public records.

2.3 Company formation. Where you instruct us to incorporate a company, you are responsible for accuracy of information and regulatory compliance. We are not a law or tax firm. Immediate performance is requested when filings begin (see 15.3).

2.4 No warehousing. We do not provide warehousing or long-term storage; see holding windows and storage fees in Schedule C.

2.5 Subcontracting. We may use subcontractors and Carriers; we remain responsible for our own obligations.

2.6 Not a residential redirection service. If you have changed residential address, you must arrange a Royal Mail Redirection; we do not provide a statutory residential redirection service.

3. Your Obligations

3.1 Lawful use. Do not send, receive or request handling of Prohibited Items or illegal content. Provide accurate recipient names and instructions.

3.2 Duties/taxes. You are responsible for customs declarations, duties and taxes.

3.3 Packaging & disclosure. Provide sufficient packaging and information for handling and customs.

3.4 Cooperation & verification. Provide identity and address documents when requested; see Clause 6.

3.5 Address limits. Do not display our address as a trading address or for advertising without prior written consent.

4. Prohibited & Restricted Items

You must comply with Carrier and legal restrictions (dangerous goods, weapons, controlled drugs, cash, perishable or illegal items). We may refuse, hold, return or dispose of items that breach this clause and may notify authorities.

5. Inspections and Security

We may open items to identify the recipient, comply with law, meet Carrier/customs requirements, repack damaged parcels, or for safety/security. We take reasonable care during inspection.

6. KYC/AML, Sanctions & Fraud Controls

6.1 Verification. An account is not active and services are not provided until (a) payment is received and (b) all required KYC/AML checks are completed for every relevant person/name. We may use certified digital identity service providers.

6.2 Ongoing monitoring. We may monitor usage, suspend or terminate accounts, and report suspicious activity to authorities without notice where required by law.

6.3 Annual refresh & retention. We may carry out an annual ID refresh; you must provide updated documents to keep your account active. We may retain identity/verification records for at least 5 years and no longer than 10 years unless required longer by law.

6.4 Trusts. Before we provide any service to a trust, you must provide proof of registration with the HMRC Trust Registration Service (TRS).

7. Handling, Transit & Delivery

7.1 Title and risk. Risk in items passes to you when items are delivered to the Carrier for forwarding to your chosen destination, or when collected by you/your agent, whichever occurs first.

7.2 Carrier terms & times. Carriage is subject to Carrier terms, including routing and transit times, which we do not control. Delivery dates are estimates.

7.3 Customs and delays. You are responsible for customs clearance and delays arising from inspections or documentation.

7.4 Sensitive financial items. Forwarding of Sensitive Items (e.g., bank/credit/debit cards, PIN letters, cheque books, security tokens or card readers) is optional and provided only if: (a) you have completed the Client Authorisation in Schedule B; (b) all KYC/AML checks are satisfied; (c) we are satisfied the forwarding is lawful and permitted by the issuer; and (d) the destination address has been verified. Opening & scanning: our Service includes opening mail and scanning contents for you. For Sensitive Items we will follow your written instructions, except we will not scan where doing so would breach law or issuer rules (e.g., certain PIN mailers). Identifiable PIN mailers and security envelopes will not be opened unless you give us explicit written instructions and issuer rules permit. We may refuse or suspend forwarding/scanning of Sensitive Items where risk or compliance concerns arise.

7.5 Default shipping method (safety first). Unless you instruct otherwise in writing, we will use a tracked and/or signed-for method where available and commercially reasonable, having regard to the item value and destination. If you opt for an untracked or unsigned service, you acknowledge increased risk and agree that our liability remains limited under Clause 9.

7.6 Large parcels and limits. Please give 24 hours' notice for parcels exceeding 1,000 mm in any dimension. We may refuse items exceeding 2 m in any dimension or 25 kg in weight. We may charge handling and storage fees for large or bulky items.

7.7 Client-arranged courier. Where you pre-pay postage/courier directly, a handling fee per item may apply; see Schedule C (Fees).

7.8 Retrieval of archived scans. Retrieval of previously scanned-and-archived items may attract a retrieval fee; see Schedule C (Fees).

8. Fees, Storage & Lien

8.1 Fees & taxes. You agree to pay Service fees, shipping charges and surcharges as published or quoted. All fees are exclusive of VAT and any carrier surcharges unless stated otherwise. We may change fees on notice for future services.

8.2 Storage and non-compliance. For inactive or non-compliant accounts (ID missing/fails, or unpaid invoices), we may hold mail for up to 14 days without charge to allow resolution. After that period items may be returned to sender, securely destroyed, disposed of, or stored for a fee. Parcels may accrue storage charges after 24 hours. Disposal/return fees may apply.

8.3 Lien. We have a general and particular lien over items for all amounts you owe. If unpaid after notice, we may sell or dispose of items and apply proceeds to your debt (accounting to you for any balance).

8.4 Sale/disposal procedure (Torts Act). Before any sale or disposal of uncollected goods we will give you a written notice of intention to sell allowing a reasonable collection period, under the Torts (Interference with Goods) Act 1977. We will account to you for any net proceeds after deducting sums properly due.

8.5 Insurance. Goods are not insured while on our premises or in transit unless you purchase optional cover from us in writing before dispatch. If you arrange your own courier, our insurance does not apply. You are responsible for declaring value and arranging appropriate cover.

9. Liability, Limits and Exclusions (Protection of FMM and Director)

9.0 Consumer carve-out. If you are a Consumer, nothing in these Terms limits your statutory rights, including our obligation to provide the Service with reasonable care and skill under the Consumer Rights Act 2015. Any limits/exclusions apply only to the extent permitted by law.

9.1 Exclusion of certain losses. To the maximum extent permitted by law, FMM and its Director(s), officers, employees and agents are not liable for indirect, consequential, exemplary or punitive damages; loss of profit, revenue, business, goodwill or anticipated savings; or losses arising from delay, missed delivery windows, customs seizures, or Carrier acts/omissions beyond our reasonable control.

9.2 Monetary cap. FMM's aggregate liability for all claims arising out of or relating to the Service in any 12-month period is limited to the greater of £100 or 100% of fees paid to FMM by you for the Service giving rise to the claim. Different mandatory caps may apply where law requires.

9.3 Non-excludable liabilities. Nothing excludes liability for death or personal injury caused by negligence, fraud, or any liability which cannot lawfully be excluded or limited.

9.4 Carriers. We are not liable for Carrier terms, delays or acts/omissions beyond our control; your remedies against Carriers are unaffected.

9.5 Third-party rights (Director protection). The Director(s) of FMM may enforce this Clause 9 under the Contracts (Rights of Third Parties) Act 1999.

9.6 Time limits. Business Customers: you must notify us of loss or damage in writing within 7 days of delivery (or scheduled delivery) and bring any claim within 6 months thereafter; otherwise the claim is barred, except where mandatory law provides longer. Consumers: please notify issues within 30 days where reasonably possible; failure to do so does not affect your statutory rights or ability to bring a claim within the applicable statutory limitation period.

10. Your Indemnities

You indemnify us from losses, claims and costs arising from your breach of these Terms, unlawful items, customs misstatements, Prohibited Items, or issuer-rule breaches. For Consumers this indemnity applies only to losses caused by your fault or unlawful use.

11. Data Protection (UK GDPR)

11.1 Controller. FMM is a controller of personal data you provide. See our Privacy Notice for details.

11.2 Checks and sharing. You consent to our use of third-party verification and payment providers and to lawful disclosures to Carriers, customs and law enforcement where required. For formation/registered office, we may share details with Companies House, HMRC and banks at your request.

11.3 International transfers. Where data is transferred outside the UK/EEA, we will use appropriate safeguards as required by law.

11.4 AML/KYC records. We may retain identity and verification records for at least 5 years and no longer than 10 years unless a longer period is required by law (e.g., ongoing investigations or legal claims).

11.5 Scan retention. Unless you ask us to keep items longer (or we must keep them for legal/compliance reasons), scanned images and related handling logs will be retained for 90 days and then deleted/archived in line with our policies.

12. Compliance & Sanctions

You warrant that you and your recipients are not subject to sanctions that would prohibit the Service. We may suspend where required to comply with law.

13. Suspension & Termination

We may suspend or terminate the Service immediately if you breach these Terms; we suspect unlawful activity; verification requests are not satisfied; or any amount is overdue. You may terminate on notice for convenience, subject to payment of accrued charges. Clauses intended to survive termination do so.

13.1 Debt recovery & chargebacks. Overdue accounts may be referred to debt collection. You are liable for reasonable recovery costs and any statutory compensation/interest where applicable. If you initiate a payment chargeback, we may apply a reasonable administration fee (plus any third-party fees) and suspend services pending resolution. We may notify Companies House and other bodies and take steps to remove unauthorised use of our address where fees remain unpaid.

14. Changes to the Service or Terms

We may update the Service or these Terms from time to time for objective reasons, including legal or regulatory compliance, security, changes to service functionality, or changes in third-party costs (e.g., Carriers). Material changes will be notified via the website, in-app, or email and will take effect prospectively. If a change is likely to cause material detriment to you, we will give at least 30 days' notice and you may cancel before it takes effect. Continued use after changes take effect constitutes acceptance (this does not reduce consumer statutory rights).

15. Consumer & Business Information

15.1 CRA 2015. For Consumers we will provide services with reasonable care and skill. Nothing in these Terms affects statutory rights.

15.2 Fee categorisation. Each Service plan comprises two separately-priced components, disclosed at checkout: (a) an Activation Fee covering identity verification (KYC/AML), address allocation, account onboarding, and admin set-up. The Activation Fee is deemed fully performed upon completion of KYC and address allocation (typically within 24 hours of payment); and (b) a Service Fee covering ongoing mail receipt, handling and forwarding for the applicable Service period. The split between Activation Fee and Service Fee for each plan is shown at checkout and on Schedule C-1.

15.3 CCR 2013 (cooling-off) and immediate performance. If you are a Consumer and purchased online or at a distance, you have a 14-day cooling-off period from the date the contract is concluded. By ticking the immediate performance box at checkout you (i) expressly request that we begin the Activation Services before the end of that period, and (ii) acknowledge that the Activation Fee will be fully performed and non-refundable from the point those services are completed, even if you cancel within the cooling-off period (Regulation 36, Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013). The Service Fee remains refundable on a pro-rata basis for the unused portion of the current period. We record the date, time, IP address and version of these Terms accepted at the point of ticking.

15.4 Optional Director Identity Verification service. If you purchase a Companies House director identity verification service from us, the service fee is for processing/submission and is non-refundable once submitted, whether the check succeeds or fails. Additional verification may attract supplementary fees.

16. Complaints

We aim to resolve complaints internally. If we cannot resolve a Consumer complaint, we will provide details of an approved Alternative Dispute Resolution (ADR) provider competent to handle your case and say whether we will take part; you may also use the ODR platform for online purchases.

17. Governing Law & Jurisdiction

These Terms and any dispute are governed by the law of England and Wales. Courts of England and Wales have jurisdiction. Consumers may benefit from mandatory protections of their local law.

18. General

18.1 Force majeure. We are not liable for failure or delay due to events beyond our reasonable control.

18.2 No waiver. Failure to enforce is not a waiver.

18.3 Severability. If any provision is unlawful or unenforceable, the remainder remains in effect.

18.4 Assignment. You may not assign without our consent; we may assign subject to law.

18.5 Notices. We may notify you via the Service, email or your account address. You agree that all notices, communications and legal documents may be served by email to the email address in your account and are deemed received at the earlier of (a) the time of transmission (UK time) if sent on a Working Day before 5pm, or (b) the next Working Day. You must keep your contact details current. You may send notices to us by email to info@forwardmymail.co.uk or by post to our registered address; legal notices are effective only when actually received by us.

18.6 Third-party rights. Except as stated in Clause 9.5, no third party has rights to enforce these Terms.

21. Schedule A — Company Formation, Registered Office & Director's Service Address

A1. Scope. Applies where you purchase formation, registered office or director's service address services.

A2. No legal/tax advice. Information is general only; obtain your own advice.

A3. KYC/AML. We require identity and address verification for all beneficial owners (PSCs), directors and authorised users. We may refuse service or filings until verification is completed to our satisfaction.

A4. Filings and accuracy. You are responsible for incorporation data, consents and post-incorporation compliance (PSC registers, statutory books, confirmation statements, HMRC registrations). We are not responsible for rejected/delayed filings caused by your incorrect or incomplete information.

A5. Registered office mail. Official mail (Companies House, HMRC, courts/regulators) is included as stated in your plan and will be scanned and/or forwarded in accordance with

your instructions and applicable fees. Non-official or marketing mail may be refused or charged additionally.

A6. Address display & misuse. The registered office or director address may not be used as a trading address or for public advertising without our prior written consent. You must not use our address for DVLA driving licence/vehicle registration, electoral registration, or MLR registrations. We may require removal of the address from websites or materials if misused.

A7. Unauthorised use & Companies House filings. If our address is used at Companies House without an active, paid service (per entity/name), you authorise us to file forms (including RP07 or equivalents) to remove or change the address. Fees apply per company and per officer/PSC using our address.

A8. Termination. On termination of address services you must promptly update Companies House and all records. We will refuse new mail from the termination date. Items received after termination will be handled as follows: (a) Letters received within 14 calendar days after termination: one courtesy email notification; we will hold for up to 14 days, then Return to Sender where practicable; if no sender/return address is available, we will securely destroy after a further 14 days. (b) Parcels received within 14 calendar days after termination: we will hold for up to 7 days; if uncollected/unspecified, we may issue a Torts Act s.12 notice allowing at least 14 days to collect or arrange forwarding on payment of all sums due; failing that, we may sell or dispose and account for any net proceeds. (c) Any post received more than 14 days after termination will be refused or returned to sender on receipt, without notice.

A9. Immediate performance. By instructing us to file an incorporation or activate an address, you request immediate performance and acknowledge the effect on your cancellation rights (see Clause 15.3).

A10. Bank introductions. Where we provide bank or service introductions, these are without warranty; eligibility and onboarding decisions rest with the third party.

22. Schedule B — Client Authorisation: Receipt & International Forwarding of Sensitive Mail

B1. Purpose. This authorisation confirms that the undersigned client authorises FMM to receive, open, scan, securely store and forward Sensitive Items on their behalf.

B2. Sensitive Items. “Sensitive Items” include: bank/credit/debit cards, PIN letters, cheque books, replacement security devices (e.g., card readers, tokens), and similar financial instruments. We may update this list from time to time.

B3. Preconditions. Sensitive Items will only be forwarded if: (a) the client has passed KYC/AML checks; (b) the issuer permits delivery to a mail-forwarding address; (c) the

Authorised Forwarding Address has been verified; and (d) the client has signed this Schedule.

B4. Method, opening & security. FMM will use tracked and/or signed-for services by default (unless you instruct otherwise in writing) and will record forwarding details internally. Our standard service includes opening mail and scanning contents; for Sensitive Items we will only scan with your explicit instruction and only where lawful and permitted by the issuer. We will not activate or test any card or device.

B5. Risk allocation. Once a Sensitive Item is handed to the Carrier for forwarding, risk passes to the client (see Clause 7.1). To the maximum extent permitted by law, FMM is not liable for delays, loss or misuse of Sensitive Items after dispatch, save where caused by FMM's negligence. The liability limits in Clause 9 apply. The client indemnifies FMM for losses arising from issuer-rule breach or misuse after dispatch.

B6. Refusal & compliance. FMM may refuse, suspend or cancel forwarding of any Sensitive Item if compliance or security concerns arise, or if issuer, Carrier or legal restrictions apply.

B7. Client authorisation form. See separate PDF/DOCX form provided.

23. Schedule C — Service Rules & Fees (Operational Policies)

C4. Opening & inspection. We may open items to identify the recipient, comply with law, meet Carrier/customs requirements, repack damaged parcels, or for safety/security.

C5. Address restrictions. Do not use our address for DVLA driving licence/vehicle registration, electoral registration, or MLR registrations.

C6. Prohibited/restricted goods. You must comply with Carrier and law on dangerous goods (e.g., certain lithium batteries, aerosols, perfumes, controlled drugs). We may refuse or surrender items to authorities.

C10. Registered Office/Director's Address. Official mail is included as stated in your plan. Non-official mail requires an active Business Mailing Address plan. Unauthorised use at Companies House may be corrected by us via filings (including RP07). Fees apply per entity/name.

C11. Unclaimed/unknown mail. Items for unknown recipients may be held for up to 14 days then returned/destroyed/disposed of.

C16. No ongoing agency. After termination we do not act as agent to notify correspondents or authorities of your new address; you are responsible for updating records.

C15. Items received >14 days post-termination. Any postal items received more than 14 calendar days after termination will be refused on delivery or returned to sender on receipt, without notice.

C14. Post-termination parcels. Parcels received within 14 calendar days after termination will be held for up to 7 days. If not collected or instructed for forwarding with payment of all sums due, we may issue a Torts (Interference with Goods) Act 1977, s.12 notice allowing at least 14 days to collect or arrange forwarding, after which we may sell or dispose and account for any net proceeds after deducting sums properly due.

C13. Post-termination letters. Letters received within 14 calendar days after termination will be held for up to 14 days following a single courtesy email to the account contact. Thereafter, letters will be returned to sender where practicable or securely destroyed after a further 14 days if no sender/return address is available.

Annex — Deadlock ADR Signposting Notice (Template)

Use this text in an email/letter when a consumer complaint reaches deadlock:

“We’re sorry we’ve not been able to resolve your complaint. As required by the Alternative Dispute Resolution for Consumer Disputes (Competent Authorities and Information) Regulations 2015, we are signposting you to a Chartered Trading Standards Institute (CTSI)-approved ADR provider. Examples include RetailADR (CDRL) and CEDR. You can find the current list of CTSI-approved ADR bodies here: <https://www.tradingstandards.uk/consumers/adr-approved-bodies>. Forward My Mail Ltd does not currently subscribe to an ADR scheme; we will consider ADR on a case-by-case basis and confirm to you whether we agree to use ADR for your complaint. Whether or not ADR is used, you remain free to bring legal proceedings.”
